

# INTERESTED IN ARCHITECTURE?

Join us for an introduction to the profession at RTA Architects this spring!

We will meet for 6 weeks and explore the field of architecture and related industries of engineering and construction. You will even get a chance to work on your own design project and present your project at the end of the semester. Expect to spend a few hours outside of class each week on your project.

**The class is free** and open to all Pikes Peak region high school students. Students must provide their own computer or tablet to attend classes remotely. Students will be selected based on commitment, availability, grade level, and written statement.

## **Class Schedule 2021:**

Thursdays from 4-6 pm,  
April 1st to May 6th.

The class will be taught by RTA employees. The first class will be an in-person meeting outside, physically distanced, with all in attendance wearing masks. The following five classes will be held on Zoom. Students should monitor their email if the weather forecast is unfavorable.

Final presentations are on May 6th..

**Apply:** Submit the attached application to Mitchell Starrs via email [mitchell@rtaarchitects.com](mailto:mitchell@rtaarchitects.com). Applications must be received by end of business on March 12th. Selected applicants will be notified on March 19th. Space is limited.
