Project Summary: Burlington Elementary School, a 1-story building located in Burlington, Colorado, is an existing Pre - k through 4th grade ES built in 1958. There was an addition in 1965, (4th grade section), a lunchroom addition in 1985, and in 1998, a Preschool, Gymnasium, Library, Computer lab, and Music room were built.

Also occupying the Elementary School Site is the Burlington Gymnasium, a notable Art Deco structure built between 1938 and 1941 by the Works Progress Administration (WPA). This remains the only surviving New Deal-era construction in Burlington and is listed on the National Register of Historic Places.

In 2021 mechanical and electrical improvements were completed. The town of Burlington is a rural community and county seat of Kit Carson county with a population of 4,254 (2010). The School is located in the center of town surrounded by residential homes on all sides. Dates concerning original building and renovations were derived from construction documents and staff commentary.
