**Year Built:** 2007 with an addition in 2009

**Site Area:** 588,300 sf / 6.6 acres (Including ECC Main Campus)

**Number of Permanent Buildings:** 1

**Total Building Area:** 1,990 sf

**Description of Facility:** The Outer Range Program is a new outdoor education program for Montrose and Olathe students. The program will occupy an existing building and parcel of land adjacent to the administration building. The site is centrally located within the District to provide equal opportunities for all students. The program offerings are currently being developed and led by staff, students, and community members. The goal of this program is to better understand the challenges young people face when accessing the outdoors and eliminate those barriers.
